

3RD U.S. AMATEUR FOUR-BALL CHAMPIONSHIP[®]

Conducted by the United States Golf Association[®]

Pinehurst Resort & Country Club, Village of Pinehurst, North Carolina | May 27 – 31, 2017

ELIGIBILITY

Entries are open to sides of amateur golfers with an individual up-to-date Handicap Index[®] based on ratings for men not exceeding 5.4 under the USGA Handicap System[™]. A Handicap Index must be issued from a "golf club" (as defined in the *USGA Handicap System Manual*) which is licensed to use the USGA Handicap System. The USGA accepts an up-to-date handicap issued from the international body of golf that would be equivalent to a USGA Handicap Index[®] within the prescribed limit for entry into the Championship. Two players who play as partners comprise a side. Partners are not required to be from the same club, state, country, etc. For this Championship, any reference to gender applies to all genders.

Age: Player's date of birth is required on all USGA entry forms.

An application for a player who is a minor upon the date of submission, in the state in which he resides (e.g., New Jersey, under the age of 18) must be submitted by a parent/guardian, and list parent/guardian's name, phone number, and email address. The parent/guardian must agree to be bound by all terms and conditions on their behalf and on behalf of the minor player.

Amateur Status: All players must conform to the *USGA Rules of Amateur Status*. If the player will be receiving expenses from sources other than family members to participate in this competition, please refer to Rule 4 of the *Rules of Amateur Status*.

Code of Conduct: The USGA may reject an entry application, revoke an accepted application, expel from the Championship and/or suspend a player from future championships if the player engages in conduct detrimental to the integrity and image of the game of golf and/or public confidence in the USGA. Such conduct may include, but is not limited to, damage to the golf course or the player's equipment, verbal or physical abuse of spectators, officials, volunteers, or staff, blatant or excessive profanity, disorderly behavior, failure to abide by club rules, or any other unbecoming conduct.

Equipment Permitted Conditionally for Medical Reasons: Players who wish to request permission to use items on the List of Equipment Permitted Conditionally for Medical Reasons or to proceed under Exception 1 to Rule 14-3, should refer to www.usga.org/championships-hub/additional-entry-resources/equipment-permitted-for-medical-reasons.html for details.

ENTRIES: FORM, FEE, CLOSING DATE

All sides, including those exempt, must file an entry application. The entry of a side is deemed complete when both players have completed the entry process. If a side completes an entry and it is later determined that one or both players are ineligible (e.g., due to an invalid handicap index or an amateur status issue), the side is deemed to have completed an invalid entry and both players' entries will be withdrawn. A player will not be permitted to enter the Championship as an individual. Players must file online at the USGA website (www.usga.org). The first player of the side to complete an entry application will receive two e-mails:

1. Confirmation e-mail
2. Registration e-mail to be forwarded to his partner

The partner will use the registration e-mail to access and file his entry application to complete the side. Sectional qualifying location will be determined by the side's second player. Once the side is complete, both partners will receive an e-mail notification. *Only one entry may be filed per player. The USGA reserves the right to disqualify any player who submits more than one entry.*

Entry fee of \$125 must be paid by every player. Entry fee will be refunded regardless of reason if the USGA is notified (908-326-1950 or via e-mail at champs@usga.org) before the close of entries. After the close of entries, fee will be refunded in the event of medical condition, if requested by May 27, 2017 and the player has not already participated in qualifying. No refund for any reason after May 27, 2017. A \$30 service charge will be deducted from all refunds.

**ENTRY APPLICATIONS MUST BE RECEIVED BY USGA
NO LATER THAN 5 P.M. E.D.T. on WEDNESDAY, AUGUST 10, 2016.**

Entry applications must be filed online at:

www.usga.org/champs/apply

**Late applications are not acceptable
and will be automatically rejected.**

(Entries by telephone, telegraph, mail or FAX are not acceptable.)

Time limit for entries means time of receipt at USGA (not time entry is transmitted to USGA). Entries should be submitted early to allow ample time for delay or error in transmission. The risk of delay or error in transmission lies solely with the entrant and the USGA will have no liability with respect to any such delay or error and the consequences therefrom, including rejection of the entry.

RULES OF GOLF; CLOSE OF COMPETITION

Play will be governed by *The Rules of Golf* as approved by the United States Golf Association and The R & A. Questions will be settled by the on-site Rules Committee, whose decision will be final. The result of each match is deemed to be officially announced when the result has been posted on the public scoreboard and approved by the Committee. The competition is deemed to be closed when the Championship trophy has been presented.

GOLF BALLS; DRIVER HEADS

Only brands of golf balls on the most current USGA List of Conforming Golf Balls and driver heads on the most current USGA List of Conforming Driver Heads may be used. Updated lists may be found on the USGA website at www.usga.org or by contacting the USGA Equipment Standards Department at (908) 234-2300. The so-called "One-Ball Rule," the optional condition prescribed in Appendix I of *The Rules of Golf*, will be in effect.

CLUBS: GROOVES

In Sectional qualifying and in the Championship proper, the player's clubs must conform to the grooves and punch mark specifications in *The Rules of Golf* that are effective from January 1, 2010.

***PENALTY FOR CARRYING, BUT NOT MAKING STROKE WITH CLUB OR CLUBS IN BREACH OF CONDITION:**

Match play – At the conclusion of the hole at which the breach is discovered, the state of the match is adjusted by deducting one hole for each hole at which a breach occurred; maximum deduction per round – Two holes.

Stroke play – Two strokes for each hole at which any breach occurred; maximum penalty per round – four strokes.

Match play or stroke play – If a breach is discovered between the play of two holes, it is deemed to have been discovered during play of the next hole, and the penalty must be applied accordingly.

*Any club or clubs carried in breach of this condition must be declared out of play by the player to his marker or a fellow-competitor in stroke play immediately upon discovery that a breach has occurred. If the player fails to do so, he is disqualified.

PENALTY FOR MAKING STROKE WITH CLUB IN BREACH OF CONDITION: Disqualification.

Exception: Ping Eye2 irons manufactured before March 31, 1990 with a groove spacing to groove width ratio of 2.3 to 1 are permitted for play under the Rules of Golf, even in certain competitions when the Condition Requiring Clubs Conforming with Groove and Punch Mark Specifications Effective January 1, 2010 is in effect. It is the player's responsibility to refer to the condition of competition posted for the specific competition in which the player is playing to ensure compliance with the above exception and to provide proof of the date on which the club was manufactured. If the player cannot provide such proof, the club must conform with specifications described in Appendix II, 5c(i).

Please refer to the following link for information regarding conformance: www.usga.org/grooves.

DISTANCE-MEASURING DEVICES

In Sectional qualifying and in the Championship proper, a player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g., elevation changes, wind speed, etc.), the player is in breach of Rule 14-3.

For more information, visit www.usga.org/dmd.

FOOTWEAR

It is a condition of the competition, including at all qualifying sites and the Championship proper, that shoes with traditionally-designed spikes (regardless of composition, i.e., ceramic, plastic, etc.) or spikes, regardless of design, comprised either entirely or partially of metal (if such metal may come in contact with the course) are prohibited during the stipulated round. Penalty for breach of this condition: DISQUALIFICATION.

CADDIES

Qualifying Rounds - A player may provide his own caddie. If he wishes to have the host club furnish a caddie, he should ask the Official in Charge because sufficient caddies may not be available at the host club.

Championship proper - A player may provide his own caddie. If he wishes to have a caddie provided to him by the host club, he must complete the information as outlined in the Memorandum to Players.

A player is not required to employ a caddie for any stage of the Championship.

TRANSPORTATION/CART REQUESTS

Players must not ride on any form of transportation during a stipulated round unless authorized by the Committee. The optional condition prescribed in Appendix I of *The Rules of Golf* will be in effect.

As a general rule, players and their caddies must walk the course at USGA Championships and at most qualifying rounds. But consistent with the Americans with Disabilities Act (ADA), a disabled player or caddie may be permitted to use a golf cart as an accommodation to his or her disability for those events where golf carts are not allowed. As required by the ADA, the USGA will evaluate such requests on a case-by-case basis.

In order for the USGA to properly evaluate the merits of such requests, while maintaining the fundamental fairness of the golf competition, it is necessary for players requesting this accommodation (whether submitted by the player, by the player for the player's caddie or by the parent/legal guardian of a minor player) to submit medical documentation to facilitate that analysis. The documentation provided must demonstrate: (1) a player's (or caddie's) disability as defined by the ADA; (2) the medical need for the golf cart that results from that disability; and (3) that by providing a golf cart to a player or caddie in that particular circumstance, the USGA would not be fundamentally altering the fairness of the competition by providing a player with an advantage over other players. The required form entitled **Golf Cart Request Form (as well as additional important information for first time and subsequent requests for a cart)** is available at the following link: www.usga.org/championships-hub/additional-entry-resources/requesting-a-golf-cart.html.

PUBLICITY AND PROMOTION; BROADCASTING

I understand that the USGA or its designees, may record, film, photograph, or otherwise capture my likeness, image, voice, biography, references to me, my quoted statements, and my play in the Championship (the foregoing, together with my name, my "Appearance"). In consideration of the opportunity to participate in the Championship, by submitting this Application, I grant (and/or have the authority to grant to the USGA in the case of a parent/guardian of a minor or other authorized representative submitting the Application on my behalf) to the USGA, and its licensees, successors and assigns, the perpetual, transferable, assignable, worldwide, royalty-free, irrevocable right to use my Appearance, in whole or in part, in all manner (including exhibition, distribution, reproduction, publication, display, broadcast, transmission or otherwise), and media now known or hereafter invented or discovered, and for any purpose whatsoever. The rights granted herein include, without limitation, the right to use the Appearance, or portions thereof, in promotion of the Championship and future championships through any of the foregoing means of distribution, as well as in the design, manufacture and distribution of merchandise related to the Championship or other championships, that include elements of my Appearance. The USGA is not obligated to use my Appearance in any matter, and materials embodying any aspect of my Appearance do not need to be submitted to me for approval. I release and discharge the USGA, its licensees, successors and assigns from any claims arising from use of my Appearance, including claims for misrepresentation of me, my character, or my person by any means. As between the USGA and me, the USGA shall own all right, title and interest, including the copyright(s), in and to any works created by the USGA, its licensees, successors and assigns, that include all or a portion of my Appearance. This grant shall be binding on my heirs, executors, administrators and assigns, and the successors and assigns of the USGA. I hereby waive all privacy, publicity, defamation, libel, and proprietary rights relating to the Appearance as used by the USGA in conjunction with these terms.

Players are required to cooperate with representatives of the media; however, no pre-Championship activities outside of those activities which are part of the Championship will be required. Authorized representatives of the media will not interfere with the player's Championship play in an unreasonable manner.

ACCOMMODATIONS; PLAYERS DINNER; PRACTICE PRIVILEGES

Information will be provided to qualifying sides upon completion of Sectional Qualifying. Exempt sides will receive this information from the USGA office.

PERSONAL APPEARANCE

Players must be neat in appearance with respect to personal grooming and clothing.

CONDITIONS; SCHEDULES

The USGA Championship Committee/on-site Rules Committee reserves the right to alter any of the conditions, provisions and/or schedules herein. The decision of the Championship Committee/on-site Rules Committee in any matter will be final.

SECTIONAL QUALIFYING

LOCATION; TRANSFERRING; SUBSTITUTION DEADLINE

Players' preference for Sectional Qualifying location must be designated on the entry. Sectional qualifying location will be determined during the entry process by the side's second player.

Qualifying sites are final after entries close. Transfer from one qualifying location to another is not permissible after entries close. Qualifying sites may be cancelled due to lack of participation. In the event of inclement weather, qualifying will take place as soon as possible following the originally scheduled date. Sectional Qualifying will be over 18 holes.

All transfers and substitutions must be made by contacting the USGA Championship Administration Department at 908-326-1950 or via e-mail at champs@usga.org.

A side will be limited to one substitution following the close of entries and subject to substitution calendar below.

A substitute can only be a player NOT entered in the Championship upon the close of entries.

A player withdrawing from the Championship following the close of entries may not subsequently become a substitute.

Following the substitution deadline (see below), a formal withdrawal on the part of one player would result in the dissolution of the side and subsequently the withdrawal of the side in its entirety.

For an exempt side all substitutions must be made prior to the last substitution deadline (March 8, 2017):

- The remaining exempt player is required to provide a substitute.
- If the substitute was exempt as of the close of entries, the resulting side remains exempt.
- If the substitute was not exempt as of the close of entries, the side must play in a sectional qualifying round subject to availability.

After the close of entries a side is committed to its original qualifying site regardless of the results of a substitution.

QUALIFIERS' PLACES; TIES; CHAMPIONSHIP SUBSTITUTIONS

The number of qualifiers' places at each location will be determined by the USGA after entries close, based on size and playing quality of the field.

A tie for the last qualifier's place or an alternate's place will be decided immediately by a hole-by-hole play-off.

Alternates in order of qualifying scores will be allowed for sides unable to compete in the Championship.

If a Sectional Qualifying location cannot fill its qualifiers' places, or if an exempt side withdraws, the place made available will be reallocated to another location. A reallocation schedule will be prearranged by the USGA.

If a side withdraws before playing a stroke in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

Alternates have no status at the Championship.

ACCEPTANCE OF PLACES; NOTICE OF WITHDRAWAL

On the day of Sectional Qualifying, every qualifying side should inform the Official in Charge whether they will play in the Championship.

If a qualifying side or an exempt side withdraws, they must notify the USGA (908-326-1950 or via e-mail at champs@usga.org) promptly in order to insure an alternate side fair opportunity to play. Failure to comply may result in disqualification from future USGA competition.
