RULES OF GOLF; CLOSE OF COMPETITION

Play will be governed by The Rules of Golf as approved by the United States Golf Association and The R & A. Questions will be settled by the on-site Rules Committee, whose decision will be final. The competition is deemed to be closed when the Championship trophy has been presented.

**GOLF BALLS; DRIVER HEADS**

Only brands of golf balls on the most current USGA List of Conforming Golf Balls and driver heads on the most current USGA List of Conforming Driver Heads may be used. Updated lists may be found on the USGA website at www.usga.org or by contacting the USGA Equipment Standards Department at (938) 234-2300. The so-called “One-Ball Rule,” the optional condition prescribed in Appendix I of The Rules of Golf, will be in effect.

**CLUBS: GROOVES**

In Local and Sectional qualifying and in the Championship proper, the player’s clubs must conform to the groove and punch mark specifications in The Rules of Golf that are effective from January 1, 2010.

*PENALTY FOR CARRYING, BUT NOT MAKING STROKE WITH CLUB OR CLUBS IN BREACH OF CONDITION: Two strokes for each hole at which any breach occurred; maximum penalty per round – four strokes. If a breach is discovered between the play of two holes, it is deemed to have been discovered during play of the next hole, and the penalty must be applied accordingly.*

*Any club or clubs carried in breach of this condition must be declared out of play by the player to his marker or a fellow-competitor in stroke play immediately upon discovery that a breach has occurred. If the player fails to do so, he is disqualified.*

*PENALTY FOR MAKING STROKE WITH CLUB IN BREACH OF CONDITION: Disqualification.*
FOOTWEAR
It is a condition at all qualifying sites unless otherwise indicated by an asterisk on this entry application that shoes with traditionally-designed spikes (regardless of composition, i.e., ceramic, plastic, etc.) or spikes, regardless of design, comprised either entirely or partially of metal (if such metal may come in contact with the course) are prohibited during the stipulated round. Penalty for breach of this condition: DISQUALIFICATION.

CADDIES
Qualifying Rounds - A player may provide his own caddie. If he wishes to have the host club furnish a caddie, he should ask the Official in Charge because sufficient caddies may not be available at the host club. Championship proper - A player may provide his own caddie. If he wishes to have a caddie provided to him by the host club, he must complete the information as outlined in the Memorandum to Players. A player is not required to employ a caddie for any stage of the Championship.

TRANSPORTATION/CART REQUESTS
Players must not ride on any form of transportation during a stipulated round unless authorized by the Committee. The optional condition prescribed in Appendix I of The Rules of Golf will be in effect. As a general rule, players and their caddies must walk the course at USGA Championships and at most qualifying rounds. But consistent with the Americans with Disabilities Act (ADA), a disabled player or caddie may be permitted to use a golf cart (as defined in the ADA) in the event that the cart is necessary to his or her disability for those even where golf carts are not allowed. As required by the ADA, the USGA will evaluate such requests on a case-by-case basis.

In order for the USGA to properly evaluate the merits of such requests, while maintaining the fundamental fairness of the golf competition, it is necessary for players requesting such accommodation (whether submitted by the player for the player’s caddie or by the parent/legal guardian of a minor player) to submit medical documentation to facilitate that analysis. The documentation provided must demonstrate: (1) a player’s (or caddie’s) disability as defined by the ADA; (2) the medical need for the golf cart that results from that disability; and (3) that by providing a golf cart to the player or caddie in that particular circumstance, the USGA would not be fundamentally altering the fairness of the competition by providing a player with an advantage over other players. The required form entitled Golf Cart Request Form (as well as additional important information for first time and subsequent requests for a cart) is available at the following link: www.usga.org/championships-hub/additional-entry-resources/requesting-a-golf-cart.html.

PUBLICITY AND PROMOTION; BROADCASTING
I understand that the USGA or its designees, may record, film, photograph, or otherwise capture my likeness, image, voice, biography, references to me, my quoted statements, and my play in the Championship (the foregoing, together with my name, my “Appearance”). In consideration of the opportunity to participate in the Championship, by submitting this Application, I grant (and/or have the authority to grant to the USGA in the case of a parent/legal guardian of a minor or other authorized representative submitting the Application on my behalf) to the USGA, its licensees, successors and assigns, the perpetual, transferable, assignable, worldwide, royalty-free, irrevocable right to use my Appearance, in whole or in part, in all manner (including exhibition, distribution, republication, publication, display, broadcast, transmission or otherwise), and media now known or hereafter invented or discovered, and for any purpose whatsoever. The rights granted herein include, without limitation, the right to use the Appearance, or portions thereof, in promotion of the Championship and future championships through any of the foregoing means of distribution, as well as in the design, manufacture and distribution of merchandise related to the Championship or other championships, that include elements of my Appearance.

LOCAL & SECTIONAL QUALIFYING
QUALIFIERS’ PLACES; TIES; SUBSTITUTIONS
The number of qualifiers’ places in each location will be determined by the USGA after entries close, based on size and strength of field. A tie for the last qualifier’s place, or an alternate’s place will be decided immediately by a hole-by-hole play-off. Alternates in order of qualifying scores will be allowed for qualifiers unable to compete in the next stage of the Championship. In the case of Sectional Qualifying Rounds, the alternate must play in the location entered by the withdrawn player. If a qualifying location cannot fill its qualifiers’ places for the next stage, or if an exempt player withdraws, the place made available will be reallocated to another location. A reallocation schedule will be prearranged by the USGA.

Acceptance of places before playing a stroke in Sectional Qualifying or in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

ACCEPTANCE OF PLACES; NOTICE OF WITHDRAWAL
On the day of qualifying, every qualifier should inform the Official in Charge whether he will play in the next stage. If a qualifier or an exempt player withdraws, he must notify the USGA (908-326-1950 or via e-mail at champs@usga.org) promptly in order to insure an alternate fair opportunity to play. Failure to comply may result in disqualification from future USGA competition.
EXEMPTIONS

Players in the following categories will be eligible for exemption in the 2018 Championship only. The USGA reserves the right to revise any of the exemption categories. Exception under categories reserved for amateurs will be granted only to players who are currently amateurs, unless otherwise indicated. A amateur who is exempt into Sectional Qualifying or the Championship proper through a category reserved for amateurs becomes ineligible if he becomes a professional before beginning play or during the play of the Championship, unless otherwise indicated.
